

Minutes of the ARCNEEM May 10, 2018 meeting.

Attendees:

Mike – K4DUM                 Jim – N3GOO  
Ted – WA3AER (phone) Steve – WA3ZWC  
Fred – KA3CXQ               Zory – KB3VQC  
Charlie – K2ZVV              Fred – AI3Z  
Tim – W1TRT                 Jim – AB3CA  
Michael – W3MBC            William – KC3II?  
Nick – K3NY                 Sam – WC3SAM

Meeting called to order at 1812 EST by Mike K4DUM, President.

Jim, N3GOO, VP/Secretary present.

Fred, AI3Z, Treasurer present.

- Meeting started with introductions
- Treasurers report:  
Assets unchanged from last month  
\$3343.06 in the bank.  
3 checks received for memberships.  
Motion to accept treasurer's report.  
    Moved by Zory Glaser  
    Seconded by Ted Bauer  
    Passed viva voce.
- Minutes approved for previous meeting (out of sequence, moved to front of minutes).  
    Moved by Zory Glaser  
    Seconded by Mike Birdseye  
    Passed viva voce.
- D-Day Operations reminder  
6/2 through 6/10, primary operations 6/2 to 6/6  
League and CQ have announcement and have acknowledged  
Sign up sheet is online.  
Intend to operate one digital (FT8) and one phone station
- Field Day  
6/23 to 6/24 @ Rockburn Branch park in Elkridge.  
Tim Titus is coordinating.  
Setup starts 9 AM on 6/23  
Mike Birdseye will actually be present!  
Sign up sheet is online.  
Additional planning will be discussed at June meeting.
- Motion of Censure  
At this point in the meeting a motion of Censure was moved against Zory Glaser by the Secretary for the telling of a truly awful joke.  
    Motion of Censure against Zory Glaser  
        Moved – Secretary  
        Seconded – Zory Glaser  
        Passed VV.

- Northrop Grumman Bring your kids to work day was a total uncoordinated Mongolian cluster event. Apparently the NGC handout schedule did not conform in any way, shape or form with what had been communicated to the museum and the radio club. Fortunately there were no serious injuries except for the mind of one person who apparently insisted to Ted Bauer that signals from satellites could not be received on the surface of the earth.
- Northrop Grumman Family Club Station Net  
In last month one session had no regular checkins due to noise and odd propagation  
Antenna is now pointing > 45 degree off alignment.
- Adjournment  
Motion to adjourn moved by Mike Birdseye.  
Seconded by Ted Bauer  
Passed VV.  
Meeting adjourned at 1930 EST.
- Program  
Fred Heath showed video of his recent trip through the Trans-Isthmuthian Canal located in the Republic of Panama.
